## **2.00.18 PRESENTATION OF AUDIO/VISUAL EVIDENCE**

- A. COURTROOM EQUIPMENT. In general, each courtroom is equipped with a conference telephone, assisted-listening devices, Wi-Fi internet access, and either an LCD television or a projector screen.
- B. BRINGING YOUR OWN EQUIPMENT. The court is not able to provide assistance in setup or use of equipment which does not belong to the court. If requested, the court's Information Technology Department can provide reasonable technical assistance with issues involving connectivity to court technology equipment. The request for assistance must be made at least one week in advance of the court date.
- C. USE OF DVDS; FORMAT. Please be advised that certain DVD formats are not compatible with the court's DVD players in the jury deliberation rooms. To prevent delays in court due to compatibility problems, a party presenting evidence by way of DVD must ensure all video and pictures on the DVD are burned in a DVD-player playable format.
